The Armenian American Public Service Employees Association Academic Scholarship Application

We are pleased to announce the Armenian American Public Service Employees Scholarship award. The purpose of this scholarship is to reward two deserving candidates for their academic and personal achievements. You will notice that the application is simple and specifically designed for those currently pursuing education and careers in public service or the non-profit sector. We want to give you the opportunity to present the reasons as to why you are one of those deserving individuals. Note that the scholarship will not be determined solely on the basis of the G.P.A. We are seeking the most deserving candidate based on a multitude of factors. The scholarship will be in the form of a check payable to the recipient and may be applied towards, past, present and future tuition expenses. The Scholarship prize will consist of two awards totaling \$1,000, which is \$500 per recipient. This scholarship is for active members defined by AAPSEA or immediate family member(s) of an active member of AAPSEA. For more information about eligibility, please contact us. Membership in AAPSEA is free and all are welcome to join.

Our organization is dedicated to connecting professionals from the public sector for public benefit, community outreach, educational opportunities, social networking and to recognize contributions and achievements of those in public service. And so it is with all this in mind that we chose to start the annual scholarship award to help those taking the same path toward public service. We welcome your application and are truly excited to reward the right candidates who demonstrate deserving of this award.
